FIFTEEN CENTS

Fatal-freak accidents occur

Four serious accidents, one fatal and one freak, happened in the area over the weekend.

The first one occurred at intersection of Rte. 173 and Deep Lake Rd., the recent scene of many accidents, at 10:46 a.m., Saturday, Oct. 4.

According to the Lake County Sheriff's Dept., a truck driven by Robert Guyer, 42, Carol Stream, rolled over when it struck a car driven by William Kahler, 63, Antioch after Kahler, stopping for a traffic sign at the intersection, pulled out in front of Guyer who had the right of way.

Guyer suffered abrasions but no one was transported to the hospital.

Kahler was cited for failure to yield the right of way.

Less than a few hours later, in almost the

same area, on Rte. 173, three tenths of a mile west of Savage Rd., a car driven by John Longoria, 16, Antioch, was westbound on Rte. 173 when it left the road and upon returning to the road, went into the eastbound lane and hit another vehicle driven by Larry Dubois, 33, Great Lakes.

Longoria, James Curley, 25, Waukegan, a passenger in the car driven by Longoria but owned by a David Beddow, Lake Villa, along with Dubois were transported to Victory Memorial Hospital, Waukegan, by the Antioch Rescue Squad, where Longoria was pronounced dead.

The other two were carried to the squad with bleeding wounds.

No citations were issued pending further investigation.

According to the Kenosha County Sheriff's

Dept., an accident involving six cars but only one driver occurred at 10:30 p.m., Saturday, Oct. 4, on Rte. 83, just south of County JF in the vicinity of the Rocket North.

David Frook, 18, Antioch, was southbound on Rte. 83 when his vehicle struck a Lincoln Continental, belonging to Fox Valley Lincoln Mercury, Palatine, parked on the right shoulder of the road, whereupon Frook's vehicle became airborne, striking a Subaru, belonging to John Ford, Antioch.

Frook's vehicle then hit a Plymouth owned by Paul Soam, Waukegan, spun and hit a Chevrolet in the rear, owned by John Hollech, Lake Villa, tipping it on its side and causing the Chevrolet to hit a Pontiac owned by Paul Suriano, Morton Grove.

Frooks, unhurt, was issued a citation for

driving while intoxicated and charged with driving a non-registered vehicle.

At 1 a.m. on Sunday, Oct. 5, in approximately the same area, on Rte. 83, just north of 122nd St., a pedestrian, Mark Ketchum, 20, McHenry, was taken to the St. Therese Area Trauma Satellite, Lake Villa, by the Salem Rescue Squad after being struck while walking in the roadway, by a vehicle driven by John W. Novi, 22, Lindenhurst.

Novi's vehicle was northbound on Rte. 83 when he applied the brakes but was unable to avoid hitting Ketchum who was walking in the roadway.

Novi was cited for operating a vehicle with a revoked drivers license.

At last report, Ketchum was in critical condition.

If not can old Annie Mae urge you attend the open house the fire department is having from 7 to 9 p.m., on Friday, Oct. 10.

Everyone's invited and they'll also be awarding the prizes for the Fire Safety Poster Contest that same evening.

I entered but I decided to do a modern interpretation and Chief Maplethorpe didn't appreciate the artistic sense I exhibited in my painting of purple polka dotted flames engulfing a green rock.

I called it "Hot rocks will cool your jets if they get out of control."

O well we all can't be winners!

I hear that on Tom Jacobsen's 62nd birthday on Sept. 14, he received what he considered to be the best present a grandpa ever could receive when his 12 year old grandson Larry

Rodgers, Falcon featherweight quarterback, ran for four touchdowns and his team won 30 to 0. Coach Wapon are you listening?

I got my old short pleated skirt out and I've been practicing my old high school cheers for the coming Antioch High School Homecoming.

I'm sure that ACHS's cheerleaders will appreciate an old alumna help in leading few cheers to spur the Sequoits on to a victory as great as last week's over the Grayslake Rams.

My boss says to remind all my readers to be sure and get the News next week when we will publish the changes in the 1980 real estate tax assessments right from the Holtz's mouth, Bud Holtz that is, Antioch Township's assessor.

Pat Ostergard tells me to watch for the opening of the gift boutique in the Guys and Dolls Beauty Salon.

Handmade gifts and special Christmas items will be featured. The name of the shop is Forget Me Not.

Who was that Rotarian that packed away six of those delicious pork chops at the Rotary barbecue?

Loved all the new fall outfits at the Antioch Women's Club luncheon last Monday, that teal suede outfit of Florence Babusek's was a real show stopper.

Speaking of fall outfits, I really learned a lot about coordinating different pieces from Polly Hay at St. Peter's fashion forum last night.

See you all at the German-American Club's Oktoberfest at the Antioch Auction Center this Saturday. Aufwiedersien or whatever.

Church has Sunday School celebration

You might have observed a skyful of balloons heading south-east a few Sundays ago.

This was part of the festivities of the Antioch Evangelical Free Church celebrating the bicentennial of the Sunday School Movement.

The following in continuation of the celebration, Sunday School participants enjoyed a continental breakfast around a large birthday cake.

At this time prizes were awarded to Ken Warner, Bob Anderson, Grant Berbeito, and John Mattson whose balloons had traveled to Findley and Toledo, Ohio, the furthest distance.

Ongoing Sunday School activities include a trip to

Moody Bible Institute to attend a musical that depicts the life of Robert Raikes, the founder of the Sunday School Movement.

This dramatic production, "A Grain of Mustard Seed" was written in England. It will feature a 250 voice children's choir, an adult backup group, an orchestra and a male soloist portraying the person of Robert Raikes.

Raikes' effort began 200 years ago in Gloucester, England. His intents were to change a morally declining society by teaching reading, writing, and religion to the poor.

Those wishing to attend this musical on Oct. 24 at 7:30 p.m. can call the church for further details.

50 YEARS AGO: OCTOBER 9, 1930

The alleged slayer of the unidentified woman found in the ashes of a burned cottage at Deep Lake March 9, one Harry Higgins, Chicago and St. Paul gangster, and ex-convict, was believed to have been indicted by the grand jury Monday. If he can be located, after having been indicted, it is possible authorities believe, that he may confess.

Eddie Heath, of the Heath Aircraft company and the oldest flyer in the Chicago area, paid the Antioch Glider club an unexpected visit Sunday on his return trip to Chicago from Oregon, Wis.

If those poor patient hens could have seen the final resting place of all their efforts Tuesday morning, they must surely have been moved to bitter tears. A Wisconsin truck, laden with crates of eggs headed south on Rt. 21, when about a half mile from Antioch, it slipped from the concrete, due to fog and greasy pavement, and took those eggs for a brief but exciting ride into the ditch. It was the last ride for most of them.

Kill the Jinx! Have you heard that before? Well, you'll hear it again before Friday, when Warren sends their battlers to the local field to attempt to repeat their victory of last year.

30 YEARS AGO: OCTOBER 12, 1950

Two Chicago men escaped injury when their plane crashed on the east shore of Petite Lake Sunday. They were circling the lake, lower and lower, trying to take pictures when the engine quit and the plane plunged into the swamp along the shore, snapping off a wing. The two men waded ashore with nothing hurt but their feeling.

Chase Millsop has been elected president of the Antioch High School student council and Pat Hogan secretary. The class representatives are; Seniors, Ann Mattson, George Swenson and Mary Curnes; Juniors, Ronald Scully, Gail Deitrick and Paul Biel; Sophomores, Carol Loftus, Thomas Elwood and Lorraine Steindl; Freshmen, Thomas McGreal, Carmen Edmundson, and Joseph Pechulis.

More than 2,000 of the 3,000 signatures to the liberty scroll sought in Antioch and Lake Villa townships by high school students for presentation at the dedication of the Liberty bell in Berlin have already been obtained. The scrolls of signatures will be sent to Washington D.C. and from there will be flown to New York City and from there to Berlin where they will be placed under the freedom bell to be dedicated by the United Nations on Oct. 24.

Vern Barnstable was elected president of the Antioch Volunteer Fire Department. Other officers are Irving Walsh, Earl Pape, Clarence B. Schultis and Geo. F. Garland.

10 YEARS AGO: OCTOBER 8, 1970

John Meyer, a freshman at Antioch High School found an organism belonging to the group of animals called Bryozoans (moss animals.) John found this colony of Pectinaella floating in a channel off Lake Catherine. This organism is a very small animal, not noticeable by itself, however, it forms into a colony and may continue to grow and multiply until the size of a colony reaches a diameter of twelve feet. However, it is rare to find one over one inch or so. The one John found was about 12 to 18 inches in diameter.

Congressman Robert McClory has been endorsed by the Legislative Interest Committee of Illinois Dentists.

Falcons victorious

The Falcons defeated the Eagles Sunday on good ball handling and superb offensive blocking.

The Falcons took the opening kickoff and marched 49 yards for the touch down.

A 40 yard run by Kris Kauth set up a three yard run by Larry Rodgers for the TD. And the first time this year, the second time ever in Viking Featherweight football, the points after was kicked by Dean Flaschner. (The kick after is worth 2 points to a team).

The second TD was on a 2 yard run by Kris Kauth. Rod Volling ran the ball in from the one for the third touch down of the game.

The final score came on an interception by Larry Rodgers, which he ran for a forty yard touch down.

The Falcon coaches credit

Mark Zerr, Jeff Huhnstock, Jamie Stancil, Brian Buszta, Brian Longway, Derryl Richter, Pat Edmonds, and Mike Disalvatore for outstanding defensive play.

The only Eagle score was a fumble recovery ran in for a TD. Key defensive plays by Brian Pankauskas, Dean Flaschner, Chris Georgeson, Brian Longway, Jamie Stancil, Bryon Parker and Dan Heiselman. Kept the Eagle offense backed up all afternoon.

Final score: Falcons 26 to Eagles 6.

Warriors defeat Buccaneers

The Warriors defeated the Buccaneers Oct. 5, by a score of 19-0. The first score was made in the first quarter with Lance Bestland getting the touchdown. Mike Byczek carried the ball for the extra point.

In the third quarter the Warrior scored again. Tom Vileikis recovered a Buccaneer ball, which allowed Mike Byczek to go in for the touchdown. The attempt for the extra point failed.

Although John Payne and Scott Waters for the Buccaneers played a fine game, the Warriors Mike Gliniewicz intercepted several passes and Mark Carpenter recovered a fumble to keep the momentum going for the Warriors.

The fourth quarter found Mike Byczek getting his second touchdown of the game.

The Warriors fine defense and full team effort have given them a 4-1 record. In fifteen quarters they have not allowed their opponents to score against them.

Vikings Jrs. victorious

After a defeat last week, the Viking Juniors' balanced attack against the McHenry Juniors proved them a winning team. Much practice on basic principals of tackling enabled the Vikings to win the game 20-0.

Two long runs by Stan Kuligoski and Matt Marshall set up the first Viking touchdown, scored by Stan Kuligoski, with Matt Marshall adding the extra point.

In the second quarter, Ken Bergman connected for two long passes; one to Gus Mancuso and another to Matt Marshall. On the next play, Marshall ran for eight yards and the touchdown. The point after failed.

In the third quarter, Gus Mancuso had a 37 yard run, but the Vikings fumbled the ball on the next play to end their drive. The Viking defense, John Geier, Brad Poulter, Mike Lorenz, Ron Edmonds, Jack Davis, and Mike Schlichting held the Hornets on the next series of downs. The Hornets kicked a short punt and Gus Mancuso ran it back for a touchdown. The extra point was scored by Stan Kuligoski.

FLUORIDE TOOTHPASTE

If you watch television, you've probably seen the commercials selling fluoride toothpaste ("Mommy, Mommy, my group had fewer cavities!"). The best part about these commercials is that, hopefully, they may induce children to brush their teeth. It's the brushing, flossing and rinsing after eating that is the most effective preventer of tooth decay and gum disease. Toothpaste can help, but it's only a part of effective oral hygiene. More plaque is removed by a dry toothbrush without toothpaste.

The mere presence of fluoride in a toothpaste does not give it therapeutic qualities. There are, however, several brands of toothpaste on the market which contain fluoride in an effective combination with other ingredients. They definitely possess

therapeutic value and have been recommended by the American Dental Association's Council on Dental Therapeutics.

It should be emphasized, so there is no misunderstanding, that fluoride toothpastes are not a substitute for the combination of fluoridation of community drinking water and professional fluoride treatment, which have been shown to reduce dental decay by as much as 65 percent. Remember, however, that fluoride will not penetrate plaque.

A public service with the aim of promoting a better dental health environment. From the office of: **ROBERT J. PAULETTI, D.D.S., Route 1, Antioch. Phone: (312) 395-1363.**

Sequoits Trounce Rams score 31-16 in first win

The Antioch Sequits varsity football team won their first victory of the season against Grayslake last Saturday to the cheers of the homefield crowd.

The Sequits played an exciting game in front of a Parents Day crowd and their more than two touchdown lead allowed them to use the entire team for the parents edification.

Coach Steve Wapon said that he was greatly pleased with his team's giant strides in enthusiasm, intensity and defense.

Offensively, Mark Pomazak had 31 carries for 131 yards with the Antioch

interior line doing a great job of opening up the holes for Pomazak.

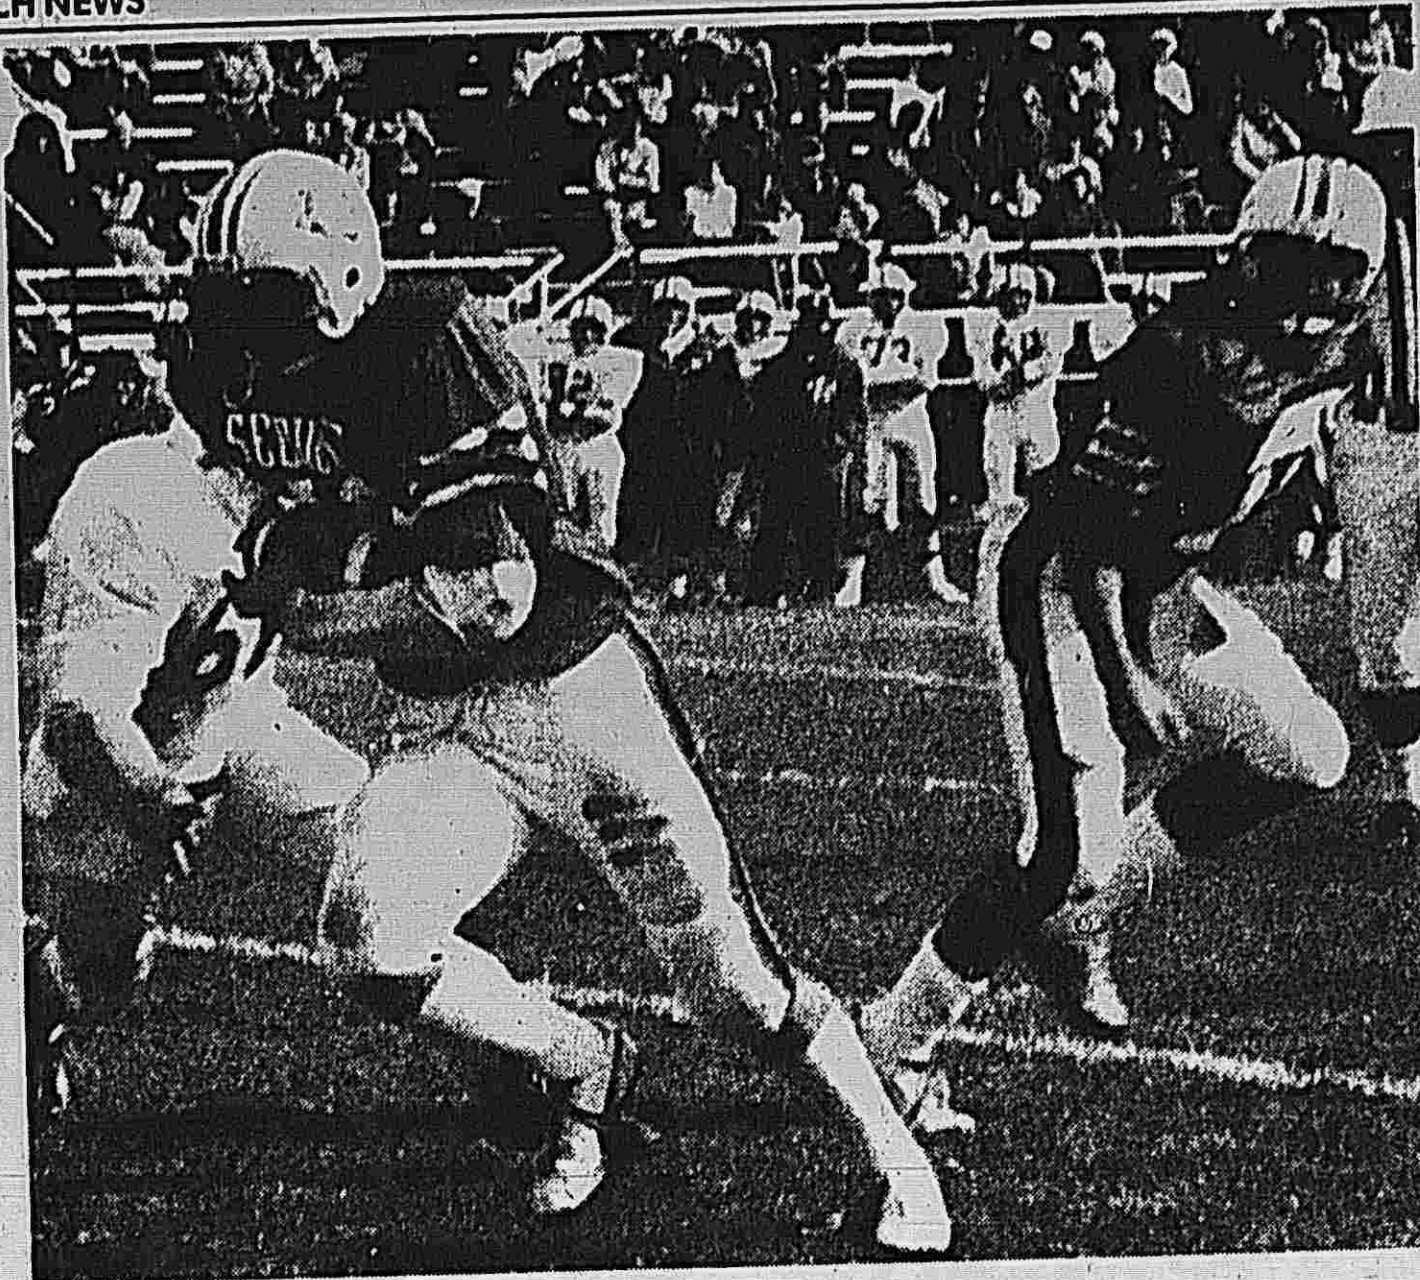

The Antioch defense had five interceptions with Steve Shedlo pulling in two of them. Carl Amundsen, Ralph Buxton and Dean Haviland were a great help to the Sequit defense with Haviland also copping two of the interceptions.

Bob Heffernan went over for Antioch's first touchdown with just 3:06 minutes left in the first quarter and Pomazak finished a drive in the second quarter to make the score 14-0 with both extra points made good.

Grayslake marched down the field to score just before half time.

Fumble and recovery seemed to be the play of the day as a Ram recovery of an Antioch fumble gave Grayslake their final TD in the fourth quarter, making a two point conversion to rack up 16 points to the Sequits 31.

The Rams thought they had put 22 points on the scoreboard in the game's final play when they carried a loose ball from a Sequit fumble over the goal line but officials ruled the play began after the horn had sounded.

Sequit sophs take Rams

The Antioch Community High School (ACHS) sophomore football team out scored the Grayslake Rams 34-8 to win in conference action.

The ACHS Sequits sheared the Rams to up their record to 4-1 overall and 3-0 in the conference.

Sequit George Besette scored the first touchdown of the game on a 25 yard run. Derek Olsen kicked the extra point and the score went to 7-0 in the Sequits favor.

The second touchdown for the Sequits came from a 39 yard pass to Billy Carney from quarterback Tom Adams. The Ram defense then stiffened and blocked the Sequit attempt for the extra point.

The Rams then struck with a 40 yard touchdown pass from Ram quarterback Kevin Kirby to Ram end Clint Burns. Kirby then snuck the ball across the goal line to make the score 13-8.

The Sequits came back to score another touchdown before the half time. Tom Anderson plunged across the goal line from five yards out to make the score 19-8. Not risking another blocked kick, the Sequits scored on a pass from John Silianhoff to end Craig Sheedlow to make the score 21-8 at half time.

The second half of the game went entirely in the Sequits favor as they scored two more touchdowns while keeping the Rams scoreless.

Besette ran in for a score from six yards out. The Rams defense once again blocked an extra point kick.

In the fourth quarter Adams found Olsen open for a 44 yard touchdown pass to make the score 33-8. Olsen did further damage to the Ram cause by kicking the ball through the uprights for the extra point. The game ended with the score 34-8.

Lions Candy countdown

Teh Antioch Lions Club is in the midst of the last minute preparations for Friday, Oct. 10 and Saturday Oct. 11 when they will give away candy and accept donations to help raise \$1,250,000 to help the blind, visually handicapped, deaf, and hearing impaired.

Paul Maginot of the Barr Funeral Home, candy day chairman, and other Lions are checking their supplies seeking last minute volunteers to help, and getting out the candy day canisters to take to the street corners and other busy scenes for the annual fund raiser.

"We hope all citizens will give generously, because this is more than just another fund raiser," Maginot said. "It is a major one to help the blind and deaf, and it is a concerted effort by 33,000 men in 670 clubs all of Illinois. Many programs and agencies depend on

candy day, he said. First of all candy day funds may be used in the local community to help with service projects for those with visual and hearing disorders.

"Therefore, when you drop a dollar in the canister, you are giving to your own community and it's welfare," he added.

Candy day funds are channeled through the Lions of Illinois Foundation, which administers programs for the benefit of all Lions in the State and also awards grants to deserving agencies.

"More than 10 million Americans have a significant, uncorrectable vision disorder, and more than 15 million Americans are plagued with hearing problems," the candy day chairman said. "We hope everyone in the community will give generously."

Save-A-Pet slated

The Save-A-Pet Foundation plans an adoption festival Saturday, Oct. 11 at Lakehurst Shopping Center, located at Rt. 120 and

Waukegan Rd., Waukegan. Hours are 11 p.m. to 4 p.m.

Adjacent to the Central Court will be a large selection of kittens, cats, puppies, and dogs, all waiting to be adopted. Area residents may choose any one of the pets brought to the center by the Palatine based foundation.

There is an adoption fee, and buyers are required to sign adoption papers.

They state that, if for any reason the pet is not satisfactory, it may be returned to the foundation, which will make an exchange.

Fees are \$30 for mixed breeds, \$40 for purebred dogs, \$25 for cats or 2/\$35, which includes spaying, neutering and distemper shots.

Save-A-Pet Foundation works to spare the life of unwanted or lost pets, and provides them shelter with professional care at its adoption center.

The organization is staffed by volunteers, and one receives a salary.

Additional information about Save-A-Pet Foundation or its October Adoption Festival at Lakehurst is available at the foundation office, 2019 Rand Road, Palatine. The phone number is 359-8822.
